April 2016

Volume 21 Issue 7

Chuck Bianchi President

The Kiwanis Club is using e-mails for communicating with members. If you have changed your e-mail address or are not receiving the weekly e-mail notices, please write down you e-mail address and give it to the secretary.

Within the last year our community has lost two outstanding citizens, namely Parke Hayes and Bill Smith. Both made outstanding individual contributions that are part of the very fabric of our community. We have several individuals that sit at our meeting every Tuesday, who are in the same category as Park and Bill. You know who they are. Treat them with the respect they deserve.

We have had outstanding speakers at our meetings. Again, thank you to all who have made this possible.

During my history with the organization, our meetings have started around 12:15. This allows our speakers an additional five minutes and does not shortchange them. Wo when it's all said and done, I guess you will eat while I talk. We try to get everything completed by 1 p.m.

We have a number of projects that will begin the spring and nice weather will be here soon. Thanking you in advance for your continued support. Chuck

Student of the Month

April

Anna Joy Jenkins, daughter of Rick and Rita Jenkins, Jonesville, was our most recent Student of the Month.. Anna is involved in many activities. She teaches Sunday School at her church. Is a member of the Doers of Good Service group, ran in a 5K fundraiser at Thanksgiving, as well as going on a Mission Trip to Wisconsin and Mexico, and is a Middle School youth group leader. She will be attending college at a small liberal arts school, and hopes to teach following college. She says, "Through serving others, one not only gains the reward of helping others selflessly but benefits the community in ways not possible without the volunteer of those living in and striving to make it better.

While we missed hearing about the Jonesville Fire Department last week, it turned out that our “short one minute “ speaker was able to extend her time and provide us with an informative chat about the Boy Scout Troop which our Kiwanis Club sponsors.

Our thanks to Teresa Donihue for attending our meeting for the purpose of presenting us with our Charter, and then adding to her time with us giving us a glimpse of the many things with which the boys are involved.

Bill and Janet Lee are the liaisons between Kiwanis and the Scout Troop.
